DuraTherm® Gel Refrigerant packs provide thermal performance for shipments that require refrigeration during shipment. The additional protection and insulation of the expanded polystyrene (EPS) DuraTherm® shipping container ensures shipments arrive safely to the customer.

DuraTherm® Gel Refrigerant offers specially developed, non-toxic, food grade gel refrigerant that is cost-effective and reusable.

Commonly used in the following industries:
- Bio Medical
- Pharmaceuticals
- Blood Specimens
- Floral
- Wine & Beverage Packaging
- Fresh Seafood
- Candy and Gourmet Foods
